<b>Complaining email address</b>	cadieux3@myumanitoba.ca
<b>Date and time of incident</b>	Approximately 7:15 PM, Saturday February 17, 2018
<b>Specific section(s) of the Election Rules that are alleged to have been breached</b>	Election and Referendum Manual Section V.1.g
<b>Specific Slate, Candidate or Referendum Side that is alleged to be in breach</b>	Future UMSU
<b>Specific facts which, if proved, constitute a breach.</b>  <b>(Continue on separate page as necessary.)</b>	<p>At approximately 7:15 PM on Saturday February 17th 2018, a facebook account 'Aly Raposo' appearing to be University of Manitoba Student Alysa Raposo shared 'The Manitoban's' article titled 'Candidates Announced for the 2018 UMSU General Elections' with the caption 'Athena Skarban, Jehan Moorth and all of #FutureUmsu for the absolute win! I am so utterly refreshed to see great friends of mine, who are so incredibly dedicated to the mental well-being of our students running on a slate filled with student LEADERS. This year is the year, fellow students! A slate that is beyond ready &amp; dedicated to serving the student body population is what we need! What we deserve!</p> <p>University of Manitoba Students deserve the very best and I can full heartedly say that within my years of experience in both on campus student politics serving on ASBC and off campus politics at large, my safety and my education is at a priority with Future UMSU. 	<p>studies and leave worries at the door while knowing this team of candidates are our future UMSU executives.’</p> <p>Athena Skarban also commented on the post ‘You are amazing! So thankful for your support &lt;3’</p> <p>This is in clear violation of UMSU’s Election and Referendum Manual section V.1.g “a detailed description of ‘pre-campaigning’ and a list of permitted and restricted activities, which references the attached handout from the CRO at the All Candidates meeting which clearly states ‘There is <b>NO</b> campaigning during the Pre-Campaign Period. As per UMSU ERM section III.1.c ‘Week 3: This week is part of the pre-campaigning period.’</p> <p>The complainant has issues with the post as it gives a positive message about Future UMSU to the friends of ‘Aly Raposo’, giving Future UMSU an advantage before the start of the campaign period. As well members of the Future UMSU slate have publicly appreciated the support without any acknowledgement of the breach of rules.</p> <p>The complainant was requested to sign the ‘AGREEMENT TO NON-HOSTILITY - UMSU GENERAL ELECTIONS 2018’ as presented by Future UMSU, which clearly states in section 4.4 ‘Active restraint against prohibited activities, and section 4.5 ‘control of parties’ volunteers’. The gratitude from Athena Skarban for the post implies that Future UMSU will be having Raposo involved in their campaign, and is aware of the aforementioned breach of rules.</p> <p>The complainant provided a screenshot of the post and the comments section made with the date and time of publication visible under her name on the photos.</p>
<p><b>Evidence of these facts.</b></p> <p><b>(Continue on separate page as necessary.)</b></p>

**Athena Skarban, Jehan Moorthy** and all of **#FutureUmsu** for the absolute win! Yes! Friends, students, peers & colleagues: I am so utterly refreshed to see great friends of mine, who are so incredibly dedicated to the mental well-being of our students running on a slate filled with student LEADERS. This year is the year, fellow students! A slate that is beyond ready & dedicated to serving the student body population is what we need! What we deserve!

University of Manitoba Students deserve the very best and I can full heartedly say that within my years of experience in both on campus student politics serving on ASBC and off campus politics at large, my safety and my education is at a priority with Future Umsu. I know students will be able to flourish within their studies and leave worries at the door while knowing this team of candidates are our future UMSU executives.
