RE: Report to the Board, September 2018

New Updates

1) Senate

The Student Senate Caucus met on Wednesday, September 26th. Senate Committee on Planning and Priorities which is a sub-committee of Senate met in closed session. The next Senate meeting is on October 3, 2018.

2) Board of Governors

Board of Governors met on Tuesday, September 25th.

3) Nursing students Administration placement UMSU

Recently UMSU has taken on two fourth year nursing students for nine weeks for an administration placement. I am working with the two students to come up with programming and resources for campaigns (healthy sexuality and mental health/wellness) related to community health.

4) Campaigns: Healthy Sexuality Week

Healthy Sexuality week is from September 24-28. Events are scheduled addressing sexual violence and assault, sexual and reproductive health and fostering a culture of consent on and off campus. Such as movie screening, sex jeopardy and consent workshops. Two consent culture workshops open to all students took place Tuesday and Thursday and Klinik ,SERC, UMCRAFT, RPM, Redfrogs, SERC/Teentalks, etc. are presenting throughout the week with activities/ tabling.

Ongoing/Continuing Work

1) Mental Health & Wellness Week

Mental Health & Wellness Week is happening October 9-12th. There will be a jack.org Talk during the afternoon of Oct. 11th in UMSGA Lounge. Other programming and events taking place will be Student counselling center workshops on stress management, conflict resolution and connection. Planning mental health student groups and external organization tabling/resource fair taking will also be taking place throughout week.

If you are interested in helping out with this campaign in any capacity or know a group (internal or external) who might be, please contact me at vps@umsu.ca or stop by the UMSU office.
