RE: **Report to the Board, September 2018**

New Updates

1. Speaker Series
 - a. I've begun working with our events planner on bringing a speaker series sometime in the beginning of the winter term. We're looking at bringing several big exciting names – if you have anyone that you would love to hear from please let me know. They can be big or small in popularity – we plan on bringing different speakers under one umbrella theme.

Ongoing/Continuing Updates

2. UMSU Sweaters
 - a. Our sweaters have arrived. Please see the Executive assistance Carly Frey during UMSU office hours from 8:30 am to 4:30 pm. Sizing is first come first serve.
3. Final Frosh Update:
 - a. 2018 Frosh was a huge success – with the silent headphones being probably the hit of the party. We sold out the event and had no major incidents during the event. Thank you to all our staff and volunteers and directors that made the event such a success.
