RE: **Report to the Board, October 2018**

Ongoing / Continuing Work

1. Board of Governors

BOG has not met since the last UMSU Board of Directors Meeting.

2. Chancellor's Search Committee

I continue to be involved with the Chancellor's Search Committee, as we move towards the selection of our next Chancellor for the second term. The names being discussed remain confidential, however I am excited to be able to announce a new chancellor within the next month or so.

New Updates

1. Right to Learn

Next Thursday, October 18th, UMSU will be hosting a screening of Conor Devries' documentary 'Right to Learn.' The documentary focuses on the pressing financial concerns students face at university. We will also be arranging a talkback Q&A session afterwards featuring some provincial and municipal elected officers and candidates to discuss the issues present in the film.

2. Upcoming Conferences

We have finalized arrangements to attend the CFS National AGM in November as well as the UCRU lobby week in December. If anyone has any motions or concerns they would like to see put forward at CFS, or any lobbying points you'd like to see us address (beyond our budget submission) at UCRU lobby week, please let me know.

3. Campus Suites

We had the pleasure of participating in a Sod Turning Ceremony for a new Campus Suites building opening on Bison and Pembina in 2020. The new 16 story building will feature 352 suites of off-campus housing options for students. We are very happy with this development and will be lobbying governments of all levels to encourage and support future development of affordable off-campus housing solutions.
