New Updates

1. Flexible Parking Pass
 - a. I've met with parking services over the past couple of weeks and have discussed the creation of a flexible parking pass, which would give students more options on what days they want to pay for parking. Parking services has committed to have some form of flexible parking in place for next September – most likely a MWF pass and TR pass. UMSU is partnering with parking services to survey our membership in early 2019 to hear what other options students may want.

Ongoing/Continuing Updates

1. Speaker Series
 - a. We have put in an offer for an exciting headline speaker. We will have more to announce in the coming weeks.
2. Malpractice
