### **New Updates**

1. Orientation/Frosh

Much of the last 2 weeks since we last met have been attending and participating in orientation activities on campus. This has included multiple days of tabling, selling frosh tickets, serving lunch to Bannatyne and Fort Garry campus students, and trying to create awareness of UMSU to new and returning students. We are very pleased with the rate of tickets that we have already sold for Frosh that is occurring on this Friday, and hope to have the event sold out.

2. UMSU Sweaters

Working with our marketing team we have placed an order for UMSU Sweaters for our Directors and staff for the upcoming year. In the past they have ordered the sweaters at the end of the term, but we thought it would be best for our Directors to be able to wear the sweaters all year, to raise awareness of UMSU and to be able to wear them to events. The cost is covered by UMSU and we will be letting you know shortly when they have arrived.
