4. Residence Grocery Run

As discussed at the last meeting, I had meetings with RSAC and AMSA residence council to bring the idea of the grocery run back but a little different. Essentially students will be able to place an order online and we'll contract a company to pick up the groceries. We sat down with Zeeshan one of the owners of Box n' Drop, and should be finalizing some of the details this week.

5. International/Cultural events

I and different student groups, as well as university entities are working on throwing different cultural events with the centennial in mind. If anyone would like to be involved and/or have ideas for what they'd like to see please let me know. VPFO@UMSU.CA
