RE: **Report to the Board, January 2019**

Ongoing/Continuous Updates

1. Participatory Budgeting

- The last Participatory Budget committee meeting was held on Tuesday January 15th.
- The next meeting will be the 29th to decide when voting days are
- Tabling and voting will be tentatively held on February 14th and 15th in University Centre (catering will be provided)

2. On Campus Delivery Service

Box n' Drop is the delivery service that the HUB will be using through the winter. So far so good, I get a managers update at the end of the month to see the analytics and will give a report after.

3. Residence Grocery Run

Box n' Drop is the delivery service that the HUB will be using through the winter. We've sat down with them to talk about using this service to accommodate our residence students w/ RSAC and AMSA. However a deal wasn't struck so we've started looking at other options such as 'Save on Foods'. Meetings and Discussions to follow.

4. International/Cultural events

Projects are well under with a couple events coming up right away, if you'd like to help let me know.

5. Day of Giving

On December 18th UMSU gave 20 pizzas out to residence students that were staying on campus through the holiday period.
