### **New Updates**

1. Virtual Student ID's

I have begun meeting with administration officials to begin looking into creating a proposal to the University IT Advisory Committee to create virtual student ID's that would be available on student's phones. This would be similar to credit and debit cards being store in Apple Pay and Android Pay – allowing students to have a copy of their student ID card on their phone. In addition we are looking into whether this would be able to replace the cards use to unlock dorms, pay for residence food. I hope to have more information in the coming weeks about the progress of the proposal.

2. Frost Tickets Now on Sale

Frost Tickets have now gone on sale for \$10 – get yours now before they go up in price on January 14<sup>th</sup>!

3. Partnership with Asper Commerce Association for Student Appreciation Week

UMSU partnered with CSA to bring in two exciting speakers – Devon Brooks and Shea Emry.
