Appendix 2.a.: Environmental Health & Safety

Poster Guideline

Posters, banners, and related material can easily create a fire hazard. Winnipeg Fire Prevention Branch inspects the University campus on a regular basis – a common problem is poster accumulations in tunnels, stairwells, and on bulletin boards. To assist us in providing a safer environment, the Winnipeg Fire Prevention Branch and the University's Environmental Health and Safety Office (EHSO) recommend the following:

Requirements for placing a poster on a Bulletin Board:

1. Posters must be placed as flat as possible and tacked down on all four corners.
2. Posters must be placed within the edges of the bulletin board. No posters may be outside the edges or hanging from the bottom of the bulletin board.
3. Posters must be single layered. Posters may not overlap.

Requirements for placing a Poster not on a bulletin board:

1. Cannot be in a tunnel.
2. Cannot be in a stairwell.
3. Cannot be on a Fire Door or Glass adjacent to a Fire Door.
4. Cannot be pasted to wall.
5. Must be single layered.
6. Must be tacked or taped down as flat as possible and on all four corners.
7. Must be removed if they become torn or damaged.
8. Must be removed once the event or reason for poster has expired.
9. Consultation with Environmental Health and Safety Office (EHSO) is recommended prior to the placement of Large Posters, Banners, etc.
10. Election Posters:
 - a. Must meet above requirements.
 - b. Excessive numbers of posters in one area may be removed.

Appendix 2.b.: University Centre Poster Policy (UofM Admin Policy)

1. All posters must be approved, stamped and dated by a staff member in the Answers Information Booth and put up only on bulletin boards on the first and second levels of University Centre.
2. All posters must comply with the University of Manitoba Respectful Work and Learning Environment Policy.
3. Advertising that contravenes the University of Manitoba Campus Alcohol Policy and Procedure will NOT be accepted.
4. Posters must not make reference to, nor contain images depicting violence or hate messages, or deemed offensive by community standards.
5. Advertising will NOT be accepted for a liquor function held off campus. Advertising for a non-university, community-oriented event off campus will be accepted if there is no liquor advertised and no admission is charged.
6. Advertising that contravenes the University of Manitoba Commercial Advertising Policy will NOT be accepted.
7. Advertising for off-campus restaurants and retail businesses, or for services that are available on campus, will NOT be accepted.
8. Advertising will NOT be accepted for employment opportunities unless directed through the Student Counselling & Career Centre, Room 474 University Centre.
9. Posters must NOT be put on brick, concrete, glass, wood or painted surfaces.
 - a. UMSU may put posters on brick and concrete walls and poles only for the following events/timeframes:
 - i. Two weeks of Orientation
 - ii. Celebration Week
 - iii. UMSU and Student Council Elections
10. The bulletin board across from the Dental Centre is for Chaplains' Office use only.
11. UMSU will be responsible for managing posters placed around "UMSU Street" on the third floor of University Centre, so long as they are NOT in contravention of points 2 through 8 above.
12. Posters found unapproved, or in areas other than designated bulletin boards will be removed and recycled.
13. Posters should be no larger than 18" x 24" and no more than 10 posters will be approved per event.
14. Posters are not to overlap or cover other posters, nor be placed beyond the edges of the bulletin board. Posters placed in such a manner will be relocated or removed.
15. Posters will be authorized for a maximum of two weeks. Posters will be cleared after the two weeks has expired.
16. Posters must be attached to bulletin boards by tacks or masking tape behind the poster. No staples are allowed. Posters mounted with staples will be removed.

Posters approved by Answers are authorized only for use in University Centre. Each building has its own poster policy and questions should be directed to the Dean's/Administration Office in that building.

Appendix 5: Communication with CRO/DROs

Office Hours posted on the door of 102-O University Centre. The office hours for CROs and DROs will inevitably be irregular during the campaign period. Matters arise that require our attention out of the office. Generally, I prefer emails. Putting things in writing means we're all on the same page. If the matter is quite urgent, call or text Darius directly.

Campaign materials that need printing must be approved by the CRO. Campaign materials can be presented to the CRO during the Pre-Campaign Period. Please meet with the CRO (USB) or send your campaign materials for approval of a watermark (email, Google Drive etc.). **For posters use masking tape on walls with the exception of banners where removable adhesive strips are permitted.**

Candidates / Slates **must** send their Volunteer List to the CRO as soon as they begin recruiting Volunteers. This can happen during the Nomination or Pre-Campaign Periods. Candidates / Slates may begin to assemble a list of volunteers to assist with the preparation of campaign materials at any time of the Election Period. Such requests must be made in private (in person or using private messaging platforms). Only once a person agrees to assist may Candidates / Slates add them to a Volunteer List and to any form of group messaging or private group platform. This private platform must only be used for communication related to the preparation of the campaign and all conversation and materials exchanged must remain private until the start of the Campaigning Period. It is **your** responsibility as Candidates to communicate and interpret the Election Rules to your Volunteers.
