New Updates

1. Bannatyne Coffee Initiative

Currently working with the DBO to organize permanent coffee crafts to be placed on Bannatyne campus in an attempt to increase support for students on Bannatyne campus. This can be managed by the DBO who can organize free coffee for students while studying.

Ongoing/Continuing Work

2. U-Pass Negotiations

We had our second negotiation meeting with Winnipeg Transit. Transit was much more open to including a proposal for Summer U-Pass in the recommendation to city council. Most likely this would be based on summer registration. We are continuing to look into this and figure our logistics of implementation.

3. Peer tutoring

The app is up and ready for full use. Tutors are still encouraged to participate in tutor training through the Academic Learning Centre (ALC). The next steps are marketing for attracting tutees, including social media, posters, email blasts, etc. Hopefully it will pick up around midterms.

4. Post-Ed partnership

Our team and the Post-Ed team reviewed data of usage for the first semester of having the app on campus. We are currently reviewing the data and deciding the best route for the partnership in the future.
