RE: **Report to the Board, March 2019**

Ongoing/Continuous Updates

1. Participatory Budgeting

- The next Participatory Budget committee meeting will be held on Tuesday, March 26th.
- Posters and the Television ads will go up shortly after to inform students on all the options before the plebiscite.
- Tabling would be held tentatively on April 8th & 9th In University Centre (catering will be provided).

2. Presidential Librarian Advisory Committee

The Head Librarian of the University of Manitoba is stepping down and we're hoping to hire the next Head Librarian by the beginning of fall 2019. We put out the position posting in the fall and have gone through all the applications. We have now narrowed it down to six candidates that we'll be interviewing in the upcoming month before narrowing it down to two or three candidates.

3. Black History Month Events

I had a great time being a part of a couple BHM events, such as Kavi Ade's Spoken Word and the Black History Month Art Exhibition. The black love campaign caught so much traction with the social media video as well as Monic Hart's Drag show event.

Thank you so much for everyone who helped, especially the NSA and ASBC. A special thank you to Salima, Mubo and Oyinda.
