Participatory Budget

- Fort Garry tabling – March 10-12

A portion of money allocated to mental health resources last year was approved through the Participatory Budgeting Committee to go towards part of the mental health campaign in partnership with UMGSA & Mood Disorder Association of Manitoba (MDAM) for a Jack Talk & Care for Caregivers – $650 in total.

The Participatory Budgeting Committee will be looking over and scrutinizing the Fort Garry information before the plebiscite on that campus begins scheduled to start March 10.
