Motion

Whereas, the Governance Committee does not possess the ability to change grammatical or formatting errors to UMSU's Governing Documents without a 2/3 approval from the Board of Directors; and
Whereas, proceeding to the Board for grammatical or formatting errors creates undue stress on the governing body's operation by requiring unnecessary time; and
Whereas, historical grammatical or formatting errors brought to the board for approval in the past have been approved as ‘friendly’ amendments.
Therefore, be it resolved that Section III of the Bylaws be amended to include a new “Amendment Procedure” as follows:

7. The Governance Committee can make grammatical and formatting amendments to the Governing Documents of the Union that keep with the spirit of the document following a majority vote of the Governance Committee.

a. A report shall be provided to the Board of Directors at the next general meeting following any amendments made under this procedure.

Be it further resolved that all subsequent clauses in Section III be renumbered appropriately.
