RE: **Report to the Board, November 2018**

Ongoing / Continuing Work

1. Board of Governors

BOG has not met since the last UMSU Board of Directors Meeting.

2. Working Groups

Thank you to all those who applied to either the Sustainability or Accessible Education Working Group. We now have enough people on both to carry forward, though we would still welcome more members! Our first SWG meeting is November 7th and the first AEWG meeting will be held the following week.

3. Chancellor's Search Committee

The Search committee has confirmed its recommendation. I cannot share this name yet but it will be approved on November 20th.

4. Recent Actions on Campus

UMSU has released a number of statements this week regarding racially insensitive statements, actions, posters and letters on campus. We will be addressing those in the report of the Executive Committee.
