RE: **Report to the Board, November 2018**

New Updates

1. Finance Committee

Finance committee met on October 30th. We reviewed and approved the general managers Credit Card Statements for September. We discussed and amended the Rise motion after meeting with Annie Beach. We approved the CRO salary.

2. On Campus Delivery Service

We're currently in talks to get a new 'On campus delivery service' implemented for the beginning of the winter semester. As soon as a contract is finalized it will go through business management committee then finance committee.

Ongoing/Continuous Updates

3. Participatory Budgeting

- The next Participatory Budget committee meeting was held on Tuesday November 6th.
- Posters and the Television ad have gone up and the survey monkey link is live.
- Tabling will be November 7th and 8th In University Centre (catering will be provided).

4. MSA renovation project

The MSA have a donation strategy plan and objective layout finalized and we're moving forward with the raising the rest of the money for this project. The Board of Trustees have approved to allow donations for the Mosque to be made to the endowment fund so donors can get tax receipts.
