

New Updates

Co-Curricular Experiential Learning Team (CELT)

The CELT has now completed the EL framework. This framework includes definitions of the different EL typologies that the university will be adopting in the coming months and years.

UITAC - Mandatory Multi Factor Authentication

I attended the quarterly University IT council meeting. The biggest student facing update is related to the use of mandatory MFA by the university IT department. Students currently have the opportunity to sign up voluntarily now. MFA will become mandatory sometime in the summer not during exam season.

2022 UMSU General Election

Voting in this year's general election will be on March 31st and April 1st. Best wishes to all the candidates that put their names forward.

Continuing Updates
