

New Updates

Co-Curricular Experiential Learning Team (CELT)

The CELT met to review the developed Competency Framework for the Experiential Learning structure that the UM has been developing over the past few months. The framework is yet to be completed and approved through the Senate. Once those steps are taken, the university will be creating a communications plan. The details are not confidential and I'd be happy to expand on anything of interest.

Endowment Strategy

The Endowment Board of Trustees commissioned a consultation and subsequent strategy creation process for the fund. This process led to a special meeting of the Trust to review the presented strategy. Overall, the meeting was productive and the spirit behind the strategy is increasing student member opportunities with financial backing from the fund.

Continuing Updates

Celebrating Black History

Shout out to the UMBSU for hosting their 2nd Black History Month. I've said it before and I'll say it again, I'm very inspired by the work this group has been doing in terms of creating welcoming spaces for Black students in our campus community.

Sustainability/ Green Team Updates

A huge thank you to every person that has engaged with our Sustainability programming this year! At the time of writing, the UMGSA is still yet to do their panel and the UM Sustainability Day will be on the 10th! Brook and I will be presenting on *Sustainability at UMSU*. Glad to say the theme for that day is the UN SDGs which coincided very nicely with our IISD event on the same topic.

IC Director Interviews

We've since concluded the conduction of these interviews. Thank you to UM Student Affairs for the opportunity to ensure that an International Student voice is considered in the hiring of this Director.

External Events & Meetings Attended

Note: These dates exclude meetings internal to the organisation.

*** Office Hours: Mondays 12-1 (@ Degrees!) I'm available via email as well.*

Feb 18th - IC Director Interview 3
