

### **New Updates**

#### **UMSU Transition**

I'll be working on transitioning the VPCE Elect into the role over the last few weeks of my term. Elishia has worked at UMSU since last summer so she's got an understanding of where things are within UMSU. That'll make the process smoother and I'm confident she'll excel in the role.

As the Black Students Rep is new this year, I'll be meeting with them and the BSU to coordinate some orientation to the role and UMSU resources.

#### **UM Sustainability + Earth Day 2022**

\*Verbal Updates to be provided

#### **Board of Trustees**

The BOT met to receive an update on the state of the endowment fund investment portfolio. A portfolio breakdown was presented and the fund has had conservative return despite the fluctuations caused by inflation and Russia's war on Ukraine.

### **Continuing Updates**

#### **2022 UMSU General Election**

Congratulations to all the candidates for putting their best forward and their names out there. Best wishes to all the candidates who won election.
