

Final Update

Thank You!

With this being my last update to this Board of Directors, I wanted to extend a heartfelt thank you. The past 27 months have been some of the most exhilarating and challenging that I've ever experienced. My time at UMSU has been fuelled by the not so subtle backdrop of a Pandemic that has changed so very much in all our lives.

Despite this pandemic, I'm grateful for the lessons that I've had the privilege to learn from my position as VPCE. I'm excited by the strides UMSU has achieved over the past 2 years and I'm glad to have been part of those achievements.

A special thank you to all the staff and the Executive at UMSU. You all make UMSU what it is, and I'm grateful to have been a part of how special UMSU is. I wish you all success with your future endeavours.

Transition

My last responsibility is to UMSU's VPCE Elishia Ratel. In her, UMSU has a confident experienced leader. I'm excited to see her execute her plans to reengage the student body after two gruelling years of pandemic school.

I'll remain available to expand on the provided transition documents in the summer and during the school year as I have credits to complete for my degree.
