

**IMPORTANT INFORMATION YOU NEED TO KNOW ABOUT YOUR
POST-SECONDARY PEGGO CARD!**

- The post-secondary peggo card you receive from us is linked to your student number and must NOT be shared, traded, lent, or sold to anyone else. Keep it in a safe place!
- Have your **student ID card** with you at all times when boarding the bus. Transit operators may request student identification. If you do not have it, you risk having your peggo card confiscated.
- If you are no longer an active student (no registration) during the regular school year (September to April), you are NOT eligible for the post-secondary transit rates and your card will deactivate. To avoid issues, we do not recommend loading your card.
- Keep all of your receipts and proof of purchase in case you encounter any issues with your card. This will allow us to better assist you.
- Register your card online (see back of peggo card) to track your balances. Ensure you do this BEFORE loading the card. Registering the card after actively using the peggo card may cause issues with the card.

HOW DO I LOAD MY CARD?

- Fares can be purchased at various Winnipeg Transit partner agents (e.g. Shoppers Drug Mart or 7-Eleven) as long as you have your post-secondary peggo card. Your peggo card can also be loaded at the UMSU Service Centre, at 101 UMSU University Centre. **Fares are non-refundable.** For a listing of Transit partner agents, visit the Winnipeg Transit website at www.winnipegtransit.com.
- You also have the option to load your card online through the Winnipeg Transit website. **However, we strongly recommend that you do not load the card online as we've seen many issues with loading.**

WHAT CAN I LOAD ON MY POST-SECONDARY CARD?

2023 Fare Rates:

| | | |
|----------------------|---------------------------------|---|
| 7 Day Pass | \$22.40 | Provides unlimited rides within 7 consecutive days. Starts on the first day it is used and expires 7 days after the first use. |
| 28 Day Pass | \$79.50 | Provides unlimited rides within 28 consecutive days. Starts on the first day it is used and expires 28 days after the first use. |
| Monthly Pass | \$86.25 | Starts on the first (1st) day of the month and expires on the last day of that month. |
| Semester Pass | \$293.20 | Provides unlimited rides within a certain term: Fall: Valid from September 1 – December 31 Winter: Valid from January 1 – April 30 Spring/Summer: Valid from May 1 – August 31 |
| E-Cash | Loaded in \$5 increments | Pay per use. \$2.80 will be deducted from the card when tapped on the farebox. A 75 minute transfer is automatically loaded. |

Tip: You can load your peggo card for the next month after the 16th of that current month. For example, if you want to load your peggo card for the month of October, you can load it on or after September 16th. This also applies to the Semester pass. You can purchase a fall semester pass as early as August 16th; winter pass as early as December 16th; and a spring/summer semester pass as early as April 16th.

When tapping your peggo card on the farebox, and if you have a mix of e-cash and a pass on your card, it will deduct the pass on the card first. For example, if you have \$10.00 e-cash on your card and you load a 28 day pass, the farebox will recognize the 28 day pass first and will activate the pass once tapped on the farebox. Once the pass expires, and if you do not have any other pass on the card, the farebox will deduct the e-cash. E-cash does not expire.

WHAT IF I LOSE MY CARD OR MY CARD ISN'T WORKING ON THE BUS?

- Contact us for more information. Lost peggo cards are subject to a replacement fee. If you had a product on your peggo card, the balance may be transferred onto your new peggo card.

WHAT IF I LOSE MY STUDENT ID CARD?

- Be sure to always have your student ID card with you at all times when riding Transit.
