New Updates

UMSU Audit

The UMSU audit has been finalised before the winter break and is currently awaiting internal approval to consider the process finalised. Once complete, it will be viewable on the UMSU website as the previous years is currently.

Association funding

As we enter the new term, please ensure that your council has received the required training (from BITB or JFW) to receive the remaining funding allotted through the term. If you are having difficulties getting a session scheduled, please let me know and I will help to get things sorted. As was noted in the disbursement earlier in the year, the normal standards of having 75% of your council's executive undergoing this training, and an up to date register will be required for the next two disbursements of funds.

Continuing Updates

3rd Floor art project

We had some difficulties getting the call to action put onto the social media during the break, but it is now up along with the form to sign up and provide your proposals for the available mural spaces. Selections are expected to happen February 6th, following the close of collections late this month.

Understanding your Fees

This project will be coming closer to the fee payment deadline when students are most aware of the charges on their Aurora account, look forward to an explanation of what amounts are going where under the general UMSU fee.
