

New Updates

SEA meeting

- WE held our last SEA meeting in person on April 24th.
- We got to see the student club and association leaders in person both outgoing and incoming.
- This year we have had 148 student clubs under UMSU. This is amazing as we know most of the clubs had been disbanded due to COVID.
- I want to thank all the students who have worked hard in their clubs or associations to make a better campus life for other students. You are the reason there is a community among students.

Summer Events.

- UMSU is working with UM to host the Preparing for University event on May 7th 1pm-4pm.
- There will be parents and students who are interested in joining the University interacting with different stakeholders on campus.
- The Graduation Pow Wow is happening May 6th in IGAC From 11:30am. Looking forward another Pow Wow and celebrating the graduates.
- August 9th, UMSU is working with UM Student Engagement and success to host another Ready to Roam event. This is for the students who are joining us to have a chance to explore the university.
