

THE BLACK STUDENTS' COMMUNITY UMSU AUGUST REPORT

Mid-August – Mid-September

The mural painting in the community room began on the 8th of September and is anticipated to end between the 12th – 15th of September.

The general members volunteered and will be putting together furniture within the week of the 11th – 15th of September.

The community will also be participating in UMSU 'Clubs in the Quad'. No major changes have happened in the community except regarding the renovations of the community room.

The community is also in the works to create and print out information pamphlets as well as create hoodies as identification for the executive team, right not the production of merchandise for the general public hasn't been discussed yet.

Thank you!
