

THE BLACK STUDENTS' COMMUNITY  
UMSU AUGUST REPORT

September

The mural painting in the community room began on the 8<sup>th</sup> of September and ended on the 20<sup>th</sup> of September.

The general members volunteered and put together furniture in the room during the week of the 18<sup>th</sup> of September.

The community participated in the numerous events through the week like “clubs in a quad” the tabling at Pembina residence and so much more and it was all a success.

The community hosted its September assembly and we had over 150 students in attendance.

The Manitoban came over to the community room on the 25<sup>th</sup> of September and took pictures of the mural as well as the executives.

The community executives as well as the artist of the mural have an interview slated for

Thursday, 28<sup>th</sup> September to discuss the mural and the renovations of the room!

The community will be having its first back to school event on 28<sup>th</sup> of September as a movie night.

Thank you!
