New Updates

- New dates for community assemblies: Oct 19 & Nov 23 to accommodate Powwow Club
- Orange Shirt Beaded Pin workshop filled up in a day! New workshop for October in the beginning stages of planning. Now that we know there is interest, we are looking at potentially hosting it at Migizii for more participants.
- Powwow club begins Oct 4, registration filled up quickly for that as well!!
- I had my first community assembly of the year, I had much more attendance than this time last year so that is exciting!

Continuing Updates

- Looking forward to beginning planning ISM with the Indigenous Student Working Group I motioned for last BOD. I have many ideas of my own and students have asked for specific workshops I will work hard to implement.
- IF YOU HAVE AN INDIGENOUS REP ON YOUR COUNCIL, PLEASE GET THEIR INFO TO ME! They are needed for ISM planning.
